| | | |

Bridges at Harcharpur and Balehonnur were constructed from Provincial Funds. Under the standing orders, revenue from tolls on ~~D.F.~~ roads and ~~credited~~ credited bridges maintained from D.F is credited to those funds and those maintained from Provincial Funds are likewise credited to the latter funds. Tolls from Harchar Bridge maintained from Provincial are being credited to these funds

The Belur Bridge was constructed not from Provincial Funds but from L.F. General. A sum of Rs ~~1~~ 40272 was debited to the D.F of the Hassan Circle on account of this work, but the same was refunded as a grant-in-aid from L.F. Cl. owing to the impoverished condition of the former funds

The Yedatore Bridge is ~~was~~ also constructed from Provincial funds.

Submitted D.F. 8/12

The Bridges at Harchar, Belur and Balehonnur were / I suppose constructed from Provincial funds. If so the tolls & the levies thereat, must I think be credited to those funds Is this not the case at Harchar?

What about the Belur Bridge? Did the D.F. Board contribute towards the cost of its construction? Similar information is required as regards the Yedatore Bridge

Mice. 1-12-96.

I called on the Deputy Commissioner ~~of Tolls~~ The ~~half-yearly Statement~~ Harchar tolls ~~The Honorarium~~ rates may be revised ~~and levied~~ at Harcharpur ~~Bridge~~ Balehonnur - The collection may be managed departmentally

Secs
/ Local Funds, & Govt Depts

The Bridges at Tadasa & Holé Narsipur
are now Sanctd. It will be necessary to
levy tolls at these bridges. ~~as well as~~ At also
some of the larger bridges we have recently
Constructed, namely

Balé honnur
Harihanpur
Belur
& Yedatura.

It is desirable to levy tolls — The Local
funds are low in ~~most~~ all Distncts, and much
~~local~~ to meet the increasing demands for
Road maintenance. Tolls on new bridges
are a legitimate source of income
& Govt should to maintain our roads
in a better Condition than now.

It is a pity tolls were not introduced
when the above named Bridges were opened
for traffic. To levy them now Govt ~~create~~ lead
to some mild protest from the people interested
but it Cannot be helped — The Local Fds & Dept
Govt
Com Mayhew, Shd I think proceed to Establish the Tolls on
the Bridges above named, as quickly as possible
— Sans Ion 1st Jany 97 —

26 12 96

Memo in regard to the ~~introduction~~ levy of tolls on the bridges at Jadasa Hanchanpur Balehonnur and Belur and Yedatore as well as Hole Narsipur

In Govt Pro etc 810-12 / 5110-12 dated 25th September 1896. sanction was accorded to the project submitted by the Chief Engineer for the construction of a bridge across the Bhadra river at Jadasa at a cost of Rs 1,40,906 and Govt directed — the introduction of a toll upon the bridge ~~was ordered~~ as also upon the newly constructed ones at Hanchanpur and Balehonnur with instructions to the Dy Comr to take the needful steps in the matter

(2) Accordingly the Dy Comr in his communication to

etc 585 Dy 5/1096 B

the Chief Engineer observed that the rates levied at the Bhimad ghaut were heavy as shewn in copy of notification dated 19th June 1883 and enquired whether the marginally noted rates of tolls levied at Kanchan bridge might not be sanctioned for the proposed toll at Tadasa. On forwarding this communication for disposal in the General Dept with reference to Govt Pro of 25/9/96, the Chief Engineer raised the question whether tolls should not likewise be levied on the new bridges at Belur and Yedatore with an observation that the levy of tolls on the latter might perhaps be postponed till the proposed Hole Narsipur Bridge on the same line of road

(1) On every 4 wheeled carriage laden or unladen ... 0-8-0
(2) — · — 2 — · — a bullock coach ... 0-4-0
(3) — · · — Elephant laden or unladen ... 1-0-0
(4) — · — Camel laden or ridden, unladen or led ... 0-8-0
(5) Horse or pony — do — ... 0-1-0
(6) Bullock or Buffalo laden or ridden ... 0-0-6
(7) — · — unladen ... 0-0-3
(8) Ass laden or ridden — ... 0-0-6

road should be completed.

(3) Subsequently H E the Dewan sanctioned the marginally noted grants from L. T. General for Tadasa and Hole Narsipur bridges and passed the following order on 4/2/97 on the Chief Engineers note of 21st January 1897

What have you done bout levy of Tolls upon Harehalipur 2 bridges Balehonnur Belur & Yedatore } ones Early action necessary

1. Tadasa Bridge Rs 25.000
2. Hole Narsipur —— 10.000

Pro etc 810-12 / 5110-12 dy 25-9-96

(4) Upon this the Secy called for references, which are herewith submitted

(5) The Govt having directed in para III of their Pro etc 810-12 / 5110-12 dated 25/9/96 the introduction of tolls on

the D Jadasa, Hancharpur
and Balehonnur bridges
orders have to be passed
in regard to the levy of
toll on the new bridges
at Belur and Yedatore, as also Hole Narsipur.
It is has been ruled, in para 5
of Govt Proc No 1119 0-97 dated
190-93
22nd January 1895, that
no toll gates can be sanctioned
on incomplete roads.

(Ref No 2 in Part II G. I 190-93)

(6) The next point
requiring orders is the scale
of rates at which tolls
have to be ~~raised~~ levied
at each of these bridges.
In para 2 of the Govt of
India rules published under
Notification No 274 dated
4 November 1876 the maximum
rates of tolls as per
schedule appended thereto,
has been fixed and rates
which are ^ less than these
have

Please see Secy's order
on Comparative statement
&

Serial No 22 in part I of
G. I 190-93

^ in some cases

(b) Under the standing orders contained in Govt Pro etc $\frac{20990\text{-}21007}{295\text{-}92}$, toll revenue collected on roads and bridges maintained by the D.F should be credited to those funds and those collected on Provincial roads and bridges to Provincial funds. To this rule an exception was allowed in the District of Mysore, where the ~~toll~~ revenue from tolls on roads, of which one is maintained from D.F. and the rest from Provincial funds, was ordered to be credited to both the funds in equal proportions.

(sl etc 6 in L.F 91-95)

(c) Para 9 of the toll rules sanctioned by the Govt of India referred to in para supra requires that the net

Serial etc 22 in part I of L.F 190-93

proceeds of the revenue
from tolls shall be applied
wholly to the construction,
repair, and maintenance
of roads and bridges
within the Mysore Province.

Submitted for order.

Order

Order by Sd 433-37 21-4-98
No 1647

The ~~immediate~~ levy of a toll on carriages, carts and animals passing over the bridges at Belur, Havilaspur and Balehonnur is sanctioned, the collections therefrom being credited to Provincial Funds from which the bridges are maintained. from the beginning of the year 1898-99 A.

2. The rates of toll prevailing at the Havilaspur bridge as per appended list, and the rules relating thereto seem suitable and may be adopted. The work of collection may for the present be managed departmentally for two years, at the end of which a report should be submitted to Govt as to how the rules work and the amount of collections made at each bridge &c.

3. The Deputy Commissioners Concerned are requested to

to request a notification in the Mysore Gazette specifying the places where, and the date from which, the tolls will be levied

4. The levy of toll on the bridge at Yedatore may for the present be postponed, until the Hole-Narsipur bridge is completed

1875-96-7

Dated 11th
Despatched 14th May
Received

General No. 729/1897-8.
No.

Enclosure No.

Stating that a Notification regarding the levy of tolls from 1st July 1898 on the bridges at Hariharpur and Balehonnur, has been sent to the Compiler for publication in the Gazette, and soliciting sanction to the entertainment of an establishment and to the taking of security from the Mutsuddis and for purchasing Kodas, as also for building houses for the accommodation of the toll establishment at the Bridges-

Ans 9/7-5-98

Camp Hissar,
Dated 11th March 1878

From

The Deputy Commissioner
Hissar District

To

The Secretary to Government
General and Revenue Department

Sir,

With reference to Government Proceedings No. 4433-37 / Misc: 1579, dated 21st January 1878, sanctioning the levy of tolls on the bridges at Harchanpur and Bakhamin from the beginning of 1878-79, I have the honour to state that as directed in para 206 the above order, a notification stating that tolls will be levied at the rates sanctioned by Government, on carriages, carts and animals passing on the bridges over the Jamuna at Harchanpur and the Banganga at Bakhamin, from and after the 1st day of July 1878 at the respective bridges

by persons authorized by Government, has been sent to the Compiler for publication in the Gazette.

2. As regards the question as to who should be entrusted with the work of collection, I beg to point out that the sayer establishment at the two above places, cannot be conveniently employed for the purpose of toll collection as they have to be constantly away on Sayar inspection &c.

3. The toll, collection work would require an establishment, whatever it is to be, constantly on the spot. Under these circumstances I would respectfully suggest - the employment of a separate small establishment, and would solicit the sanction of Government to the entertainment from 1st July 1898 - temporarily of the men noted in the margin, at a cost

Navisharpur

1. Mutsaddi on Rs. 12/- per month } of Rs. 50/- per month.

Watchmen on Rs 6/- each } Rs 12/- per month.

Contingencies Re 1/- -do-

Total Rs 25/- -do-

Balehouvire

Do — Rs 25/- -do-

Grand Total Rs 50/- -do-

I would also propose that a security should be taken from the Mutsaddi of Rs 100/- and to require the Mutsaddi as in the case of Sayar Collection, to remit money to the Taluk Kutcherry as often as collections equal the amount of his security during the month; or once at the end of each month when the collection falls short of the security amount. The Mutsaddi should invariably render the daily account of such collection to the Taluk, office under pain of fine for default.

5. If sanctioned for Sayar Katties in Proceedings (No 1737-45 Dated 13th August 1897, I would, also recommend the supply of "Kodai" (Copper measure) for receiving the Toll Collections in, to be worked on the same lines as in Sayar Katties.

Sanction

Sanction is requested to purchase these vessel

6. The Inspector and the watchers at each of the Bridge Tolls, would require a house near the respective Bridges for their accommodation Orders have been issued to the Surveyors to submit estimates for constructing temporary sheds and gates for the tolls, and I request permission to start this work in anticipation of sanction of estimate which will be duly submitted

Early orders of Government are solicited on the different questions submitted.

I have the honor to be

Sir,

Your most obedient Servant

F. C. Carr

READ ALSO:—

Letter No. 729, dated 11th May 1898, from the Deputy Commissioner, Kadur district.

With reference to Government Proceedings No. 8433-37—Mis. 1679, dated 21st January 1898, sanctioning the levy of tolls on the bridges at Hariharpur and Balehonnur from the beginning of 1898-99, I have the honor to state that, as directed in para 2 of the above order, a Notification stating that tolls will be levied at the rates sanctioned by Government, on carriages, carts and animals passing on the bridges over the Tunga at *Hariharpur* and the Bhadra at *Balehonnur*, from and after the 1st day of July 1898, at the respective bridges, by persons authorized by Government, has been sent to the Compiler for publication in the *Gazette*.

2. As regards the question as to who should be entrusted with the work of collection, I beg to point out that the Sayer establishment at the two above places, cannot be conveniently employed for the purpose of toll collection, as they have to be constantly away on Sayer inspection, &c.

3. The toll collection work would require an establishment, whatever it is, to be *constantly* on the spot. Under these circumstances I would respectfully suggest the employment of a *separate* small establishment, and would solicit the sanction of Government to the entertainment from 1st July 1898, temporarily, of the men noted in the margin at a cost of Rs. 50 per month.

		Rs.	
	Hariharpur.		
1	Mutsaddi on ...	12	a month.
2	Watchers on Rs. 6 each ..	12	per month.
	Contingencies ...	1	do
	Total ..	25	
	Balehonnur.		
	Do ...	25	
	Grand Total	50	do

4. I would also propose that a security should be taken from the mutsaddi of Rs. 150, and to require the mutsaddi, as in the case of sayer collection, to remit money to the Taluk Cutcherry as often as collections equal the amount of his security during the month; or once at the end of each month when the collection falls short of the security amount. The mutsaddi should invariably render the daily account of such collection to the Taluk office under pain of fine for default.

5. As sanctioned for sayer kattes in Proceedings No. 1737-45—R. 572, dated 13th August 1897, I would also recommend the supply of "Kodas" (copper vessels) for securing the toll collections in, to be worked on the same lines as in sayer kattes. Sanction is requested to purchase those vessels.

6. The mutsaddi and the watchers at each of the bridge tolls, would require a house near the respective bridges for their accommodation. Orders have been issued to the Amildars to submit estimates for constructing temporary sheds and gates for the tolls, and I request permission to start this work in anticipation of sanction of estimates, which will be duly submitted

7. Early orders of Government are solicited on the different questions submitted.

No. 15462-63—Mis. 3261, DATED BANGALORE, 26TH MAY 1898.

ORDER THEREON.—As the Deputy Commissioner reports that the Sayer establishments at Hariharpur and Balehonnur cannot conveniently be employed for the purpose of collecting tolls at the bridges there, his proposal to employ a separate establishment from 1st July 1898, as noted in the margin at a cost of Rs. 50 a month, is sanctioned temporarily until further orders.

		Rs.	
	Hariharpur.		
1	Mutsaddi on ...	12	
2	Watchers on Rs. 6 each ...	12	
	Contingencies	1	
	Total ...	25	
	Balehonnur.		
	Establishment as above ...	25	

2. Government further approve of the Deputy Commissioner's proposals to demand from the mutsaddis a security of Rs. 150 each and to require them, as in the case of saye collections, (1) to remit the collections to th Taluk Treasury as often as they may equal th amount of the security or once at the end of every month, when the collection fall below the security amount, and (2) to render a daily account of such collections to the taluk under pain of fine for default.

3. Sanction is also accorded to the purchase of *kodas* or copper vessels fc securing the toll collections. The instructions conveyed in para 4 of Governmen Proceedings No. 1737-45—R. 572, dated 13th August 1897, should be followed.

4. The construction of the temporary sheds and gates for the tolls is ap proved and the estimates promised are awaited.

No. 7

Deputy Commissioner's Office
Hassan District
Dated, Hassan. 6th July 1900.

To
The Secretary to the Govt. of Mysore
Genl and Rev: Departments

Sir

With reference to para 1 of the Government Proceedings No. 8433-31 Mis 1679 dated 21st January 1898, I have the honor to specify in the margin the amount of toll collected during the years 1898-99 and 1899-1900 at the Belur bridge which has been credited to the Provincial Funds from which the bridge is maintained.

It will be seen from the figures given that the departmental agency worked satisfactorily during the first year, but in the 2nd year, the realization has considerably fallen being even less than a fourth of that of the year preceding.

In accounting for the heavy decrease, the Amildar reports that the water in the

Amount realized
1898-99 Rs. 2711-10-0 = 996 = 3 4 11
1899-1900 Rs. 681-6-0

the river throughout the year was unduly low owing to scanty rains, as was the case throughout the Province and this led to a large number of carts preferring to avoid the bridge route which touches their pockets.

The above appears to my mind to be pretty correct and I would submit that at this stage I am not for giving up the departmental system of collection.

I have therefore issued orders to the Taluk to continue the agency for one year more and I beg that Government will be pleased to accord sanction to the same.

I have the honor to be,

Sir,

your most obedient servant

D. M. Narasimhalu
For Deputy Commissioner

DM.

3 The receipts at the Haribarpur and Balkhonnur bridges amounted to Rs 2410-- - 8 and Rs 1749 - 11 - 3, respectively, against an expenditure of Rs 600/- each, shewing a net profit of Rs 1810 - - 8 and Rs 1149 - 11 - 3, respectively

4. The Establishment charges consisted of the pay of 1 mutsaddi and two watchers at each gate

1 mutsaddi	Rs 12/-
2 Watchers at Rs 6/- each	12/-
Contingencies	1/

Costing Rs 25/- per mensem as detailed in the margin

5. No specific complaints against the levy of tolls at the two bridges during the last two years have been brought to notice, and the system is reported to have worked very satisfactorily.

6. I would therefore beg to recommend that the present system of working the tolls through Government Agency may continue.

I have the honor to be,
Sir,

To

The Superintending Engineer
Western Circle

Sir,

I have the honor to inform you that on passing from Lakvalli to Yedahalli a short time ago, it struck me that the toll-gate now situated at the Tadasa bridge might with advantage be placed at Lakvalli plantation huts, with the object of exacting toll on the timber carts passing down that road and which is the traffic that cause the real damage to the road. It has been ascertained that the Forest Department refuses to pay anything to

wards the upkeep of this or any of the roads used by them. It may be argued by the Forest department that the toll is for the exclusive use of the bridge and that they don't use the bridge, but, on the other hand, it must be remembered that the bridge is of no use unless it has proper approaches, and which at present cannot be said to be the case so long as the Forest depart-ment are allowed to cut it up with impunity.

2 My request therefore is that the whole of the extra revenue de-rived from these tolls be devoted to the exclusive use of the road between Lakvalli and Sadasa, and which I am given to understand was verbally promised when the question of tolls was first mooted.

3 The road above mentioned is certainly better than it used to

be

C. No 164/48
LB75-96-21

Camp Maniyambal

From

THE CONSERVATOR OF FOREST IN MYSORE.

To

The Secretary to the Government
of Mysore,
General and Revenue Depttt.

SIR,

I have the honour to report as follows with reference to Government Order No 7847-9/39-97 dated 11th instant regarding the proposal of the Deputy Commissioner, Kadur, that toll, ordered to be levied on the Tadasa bridge should be levied at or near Lakvalli so that Government timber traffic along the roads may be taxed for the upkeep of the roads, not of the bridge

2. I venture to express my opinion as regards the taxing of timber; the suggestion if sanctioned would not secure the results expected by Mr S Sparkes. If Govern.

taxes

its own timber, the proceeding will
appear, amount to taking money out of
one pocket and putting it into another.
And if timber bought from the
Forest department be taxed, a pro-
portionate diminution in price will be
insisted upon by purchasers. In
neither case would Government really
benefit in the slightest degree. (Moreover, the timber traffic along the road
in question is decreasing I believe, and is
certainly likely to decrease) consequent upon the Forest department
and private parties using the Bhadra
river more extensively for the transport
of logs by water to Lakvalli and lower
down the stream. (An impost upon
private or Government timber would
tend to increase the present incentive
to use the water-way instead of the
road. Lastly the establishment of
a toll at Lakvalli might result
in the taxing of timber which is not

carted

carted over any part of the road some miles of the Tadasa bridge, as may be expected generally to discourage and inconvenience local timber traders On these grounds, I venture to think that a toll should not be established at Lakvalli

Chief Engineer's No. 6061 dated 13th inst. forwarding for opinion Govt. Proceedings No. 7847-9 Re-A. 39-97 dated 11th December 1900, regarding the toll-gate at the Sadasa Bridge over the Bhadra River.

I have the honor to inform the Chief Engineer that in the undersigned's opinion it would not be desirable to levy tolls on ordinary traffic not using the Bridge - But, at the same time, there is not the least doubt

that the Carts conveying heavy timber from the Forests cause very great wear and tear to our road, and it would be quite fair to levy some Contribution in the shape of license fees, on all timber carts using the road, or in some other way making the timber traffic contribute liberally towards the road maintenance.

Collector

October 1900,

Forwards Under Secretary's address of the Superintending Engineer Western Circle Jaisalmer to Govt with the Chief Engineer's memo No 5-294 dated 5th November 900, proposing that the toll-gate now situated at the Jadsa Bridge be placed at the Lakkarli Plantation Limits with the object of stopping toll on the timber carts passing on the Lakkarwalli - Jadsa Road and that the extra revenue from tolls that may be derived from the proposed arrangement be devoted exclusively to the improvement of that road.

LB 75-96-23

2. Letter No 164/45 dated the 19th December 1900 from the Conservator of Forests in Bikaner, stating that if Govt takes its own timber, the proceeding will

not to take Toll
on pocket and putting
not another and if
not bought from the Forest
Dept is taxed a proportionate
diminution in price will
be inserted upon by the
purchasers, in either case
would Govt really benefit in
the slightest degree;
because the timber traffic along
the road in question is decreasing
and is certainly likely to decrease
considerably consequent on the
Forest Dept and private parties
using the Bhadra river more
& more for the transport
of logs by water to Lakkavalli
& lower down the stream;
on these grounds it is made.
- inadvisable to establish a toll
gate at Lakkavalli.

Deputy-Commissioners Office
Hassan District-
Dated, Hassan, 11th July 1901.

From

The Deputy-Commissioner
Hassan District-

To

The Secretary to the
Government of Mysore
General and Revenue Depts.

Sir,

In inviting your attention to Government order No. 1625-76 dated 6th 39-97 1st August 1900, I have the honor to state that a departmental agency at a cost of Rs 300/- per year is being maintained for the collection of toles at the Belur Bridge since 1898-1899. From the statement appended in the Margin, showing the amount collected during the past two official years, it will

Statement showing the amount Collected by Levy of toles on Belur Bridge during the two official Years 1899-1900 & 1900-1901.

Name of Bridge.	1899-1900			1900-1901		
	Rs	A	P	Rs	A	P
Belur Bridge	705	1	3	730	6	6

Remarks

Rs. 26 [illegible] 1900

Rs. 26 [illegible] 1901

will be seen that Exclu
cost of establishment
Rs 4001- for Year has been read
But this amount is nearly one fourth
of what was collected in 1898-1899
and the reason for the decrease
has been mainly due to the river
being low for a longer period
than usual owing to deficient
rainfall and plague scare as
was also the case in 1899-1900.

2. This year the prospect of the
Monsoon seems better than in
the two past years and I hope that
the realizations therefore will be
satisfactory.

3. — Under the above Cir-
cumstances, I request You will
be good enough to move —
Government to accord Sanc-
tion for the Continuance of the
departmental agency for a
further

three period of 3 years by
which time I shall be able to
report to Government definitely
on the working of the System.

I have the honor to be
Sir
Your most obedient Servant.

O'Connell
Deputy Commissioner
Hassan District.

Deputy Commissioners Office,
Kadur District,
Chikmagalur, 23d July 1901.

The Deputy Commissioner
of Kadur.

The Secretary to the Government of
Mysore, Gen. & Rev. Departments.

Sir,

Adverting to G.O. No 1131-33 / G.F. 35-97 of the 24th * Service
July 1900, sanctioning the levy of tolls on carriages,
etc, passing over the Tadasa Bridge in the Yedehalli
Sub-Taluk, and the employment of a temporary
Establishment at a cost of Rs 25/- per month for a
period one year, I have the honor to forward herewith
a statement showing the income and Expenditure
for one year, viz: 1900-1901. It will be seen that
the collection was Rs 1748/- against an Expenditure
of Rs 300/, showing a net increase of Rs 1448/-

2. As the present arrangement is working
satisfactorily, I would beg to recommend
that the temporary Establishment may be
continued until further orders.

I have the honor to be,

H. V. Nanjundayya Esqure M. A. M. L.
Secretary to the Govt of Mysore
General and Revenue dept to

Sir,

I have the honor to state that, in the Budget Estimate issued for 1901-02, a sum of Rs 1344/- has been sanctioned under 23 miscellaneous to meet the charges for collecting tolls in this District. But, a provision of Rs 12/- on account of contingent expense at one rupee a month for the Tadasa Toll-gate in the Yedahalli Sub-Taluk, which should have been made in the Budget Estimates sent to the Comptroller with this office No 1196 of the 13th February 1901, stands omitted. The inclusion of this item of Rs 12/- in the sanctioned Budget Estimate for the current year being necessary as per G.O. No 2243-4 - L.F. 39-97 dated 5th August 1901, I would request the favor of your obtaining necessary sanction

to
